PREFACE

West’s Louisiana Statutes 2020 Compact Edition is a completely modern compilation of all the currently effective, permanent and general law of Louisiana. It serves as a practical working tool for the Bench and Bar by providing in a convenient format all statutory texts in effect at the time of publication. For historical data and annotative materials, the researcher should consult West’s Louisiana Statutes Annotated.

West’s Louisiana Statutes 2020 Compact Edition consists of seven units, namely:

- West’s Louisiana Constitution
- West’s Louisiana Revised Statutes
- West’s Louisiana Civil Code
- West’s Louisiana Code of Civil Procedure
- West’s Louisiana Code of Criminal Procedure
- West’s Louisiana Code of Evidence
- West’s Louisiana Children’s Code

West’s Louisiana Revised Statutes Annotated has been designated by the Louisiana Secretary of State as the Official Edition of the Louisiana Revised Statutes. The Title, Subtitle, Chapter, Part, Subpart and Section classification, arrangement and numbering of West’s Louisiana Revised Statutes Annotated conform in every respect to the official Louisiana Revised Statutes of 1950, as amended and supplemented. This publication is correlated to the annotated edition so that a citation to one is always a citation to the other.

The text of the laws in this edition is complete as amended through the 2019 Regular Session of the Louisiana Legislature.

The Publisher is indebted to the officers and members of the Louisiana State Law Institute, the various state officials, and members of the judiciary, the law schools, and the practicing attorneys, whose interest and cooperation have contributed materially to the successful planning and development of West’s Louisiana Statutes Compact Edition.
